Craft Beer Month

Come in and see our newly expanded line of Craft Beers. Craft beers are produced with 100% barley or wheat malt or use other fermentable ingredients that enhance (rather than lighten) flavor. Craft beers only come from craft brewers. We invite you to create your own six-pack. Mix and match as many as you like and don't forget to share your favorites with us. Let us know if you've enjoyed a craft beer we don't have and we will order it for you.

Available are many unique brews produced by [Sam Adams](#). For a limited time, we will have available their **Long Shot** products which has three winning beers from their annual homebrew contest. Cape Cod's own Bruce Stott brewed the **Dortmunder Export**. Also available, are many beers from local breweries, such as, [Buzzards Bay Brewery](#), Nantucket's [Cisco Brewery](#), Martha's Vineyards [Off Shore Ale Co.](#), and [Cape Ann's Brewery](#).

Organic Beer

On the forefront of many people's minds is our health and well-being, which means being mindful of the food and beverages that we put into our bodies. Lately, organic wines and beverages have gained increased popularity and with that in mind we have brought some new products in the store to meet your needs.

We now carry Organic Pale Ale, Organic Nut Brown Ale and Amber Ale from [Peak Organic Brewing Company](#). The ingredients in these delicious beers are made without toxic and persistent pesticides and chemical fertilizers. They pride themselves on supporting organic agriculture and feel their beer is tastier and more enjoyable both to you and for the planet.

Gluten-free Beer

For those of you who have been unable to enjoy a beer due to gluten-intolerance or medical conditions, like Celia disease, wait no longer you now have a choice and a beer to fit your lifestyle. **Redbridge** from [Anheuser-Busch](#) is a gluten-free beer, which means it is not made with wheat or barley. Redbridge is a "full bodied lager brewed from sorghum for a well-balanced, moderately hopped taste".

Anheuser-Busch worked closely with the National Foundation for Celiac Awareness (NFCA) during the development of Redbridge to get a better understanding of the needs of consumers who are

leading gluten-free or wheat-free lifestyles. Anheuser-Busch will make annual donations to the NFCA and sponsor their events such as cooking sprints.

For more information visit www.celiaccentral.org

If you haven't had a chance to try **[Bailey's Irish Creams'](#)** two new flavors; **Mint Chocolate and Caramel**, be sure to stop in on March 16th for a tasting.

Also available in the store are **[Carolans Irish Cream](#)**, **[E & J's Cask & Cream](#)** and **[Emmets Irish Cream](#)**. Click on the brand names above and check out their websites where you'll find recipes for cocktails and desserts

Whichever you decide to use, treat yourself to an **Irish Coffee** on St. Patrick's Day.

Combine 1 oz. Irish Cream, 1 oz. Irish Whiskey, 6 oz. coffee in a tall glass. Stir and top with whipped cream. Sure to warm you up from the inside out!

Happy St. Patrick's Day!
