The Peach Bellini

The **Bellini cocktail** was created by Giuseppe Cipriani at [Harry's Bar](#) in Venice and has long greeted guests coming off the Grand Canal with its refreshing blend of white peach puree and Prosecco (Italian sparkling white wine). This sparkling cocktail was named after one of Venice's foremost Italian Renaissance artists. You follow the 'original' recipe...

- 2/3 white peaches pureed (you can use yellow peaches, if white are not available)
- 1 teaspoon raspberry puree
- 1 bottle chilled Prosecco

Method: Place the ripe peaches in a small blender and puree until totally smooth. This can be done well in advance and then kept in the fridge. Spoon one and a half tablespoons into chilled glasses, along with two or three drops of the raspberry puree and slowly top up with prosecco, stirring as you pour.

...or take the easy way out with Mixers and Rimmers from [Stirrings](#).

- 1 part Stirrings Peach Bellini Mixer
- 4 parts Champagne or Prosecco
- Stirrings Bellini Rimmer

Combine first two ingredients in a Champagne flute rimmed with **Stirrings Bellini Rimmer**. Cheers!
